I accept the instructions and terms stipulated and consent to the DNA data being recorded in the database of Unistel Animal Services. I hereby consent to the further processing of the personal information provided on this form in terms of the Protection of Personal Information Act (2013) for the purposes of conducting this test and hereby agree to the terms and conditions of Unistel's privacy policy and general terms and conditions for animal testing services which can be found at www.unistelmedical.co.za.									
<b>Signature:</b>						<b>Date:</b>			

Please take note of the following: Should testing samples originate outside of South Africa, the client must notify Unistel prior to shipping samples so that we can apply for an import permit. Samples can only be shipped once a permit has been obtained and this permit will only be valid for one shipment. Unistel will cover the cost of permits for orders of 10 or more samples. Shipments of fewer than 10 samples will incur an additional cost of R220 per permit.

**No more than 10 samples can be requested as urgent per batch received**
